SUMMARY

Data Analyst with 1+ year of hands-on experience building Power BI, Tableau, and Excel dashboards that directly inform business decisions. Currently driving KPI reporting and MIS automation at SchoolsIndia, reducing manual reporting effort by 30–40%. Skilled in SQL, DAX, and Python (Pandas) with a track record of translating messy data into clear insights for operational and marketing stakeholders. Brings additional depth from 2 years of freelance digital analytics, improving SEO-driven traffic by up to 40%.

EXPERIENCE

Data Analyst Dec 2024 - Present
SchoolsIndia PVT LTD Chennai, Tamil Nadu
Wrote SQL queries to extract and aggregate data from relational databases; built Power BI and Tableau dashboards delivering daily, weekly, and monthly KPI visibility to 3+ business teams.
Used Python (Pandas) and Advanced Excel macros to clean, validate, and automate 6+ recurring MIS reports — cutting manual effort by 30–40% and saving 8 hours/week.
Performed KPI tracking, cohort and trend analysis to surface insights that directly informed campaign budget decisions and operational improvements for business stakeholders.

Digital Marketing Analyst July 2022 - May 2024
Freelancer Remote
Analyzed SEO and paid campaign data for 5+ clients, driving up to 40% increase in organic traffic through data-backed optimizations.
Built monthly performance dashboards to guide content strategy and budget allocation decisions.

INTERNSHIPS

Sales Development Intern June 2023 - July 2023
Esparse Matrix solutions pvt Ltd Pune, Maharashtra
Segmented lead data and created sales performance reports that improved internal pipeline visibility.
